Overview of Reporting Requirements

Warner Norcross + Judd

Why Are There Reporting Requirements?

- Employer play or pay penalties
- Individual mandate
- Federal subsidies

Reporting Requirements

- Reporting coverage under the plan (§ 6055)
  - Applies to all medical plans (regardless of size)
  - For insured plans: insurers will report (1095-B)
  - For multiemployer plans: plan will report (1095-B)
  - For employers with self-insured plans: employer will report (1095-C, part III)
- Reporting on full-time employees (§ 6056)
  - Applies to all "Applicable Large Employers"
  - Reports key information used for calculating penalties and determining affordability

"Applicable Large Employer"

- Are you an "ALE" subject to the § 6056 reporting requirement?
  - An employer that employed an average of at least 50 FTEs on business days during the preceding year
  - Includes all "common law" employees

Employers who average 50 or more FTEs per month in 2017 subject to reporting requirement for 2018

Identifying Full-Time Employees

- "Full-time"
  - Average at least:
    - 30 hours of service per week; or
    - 130 hours of service per month
- Includes:
  - Hours while working, and
  - Other hours for which the employee is paid or entitled to pay

Identifying Full-Time Employees

- Use same method as for employer responsibility compliance:
  - Monthly (after the fact); or
  - Use of look-back measurement periods
    - Standard measurement periods for on-going employees (typically 12 months)
    - Initial measurement periods for newly-hired part-time, seasonal, and variable hour employees

Penalties for Failure to Offer Coverage

- The "A" Penalty--Failure to offer coverage to at least 95% of full-time workforce:
  - $2,320 x (number of full-time employees - 30)
- The "B" Penalty--Offer coverage, but some full-time employees qualify for subsidized coverage through exchange
  - $3,480 x number of full-time employees who qualify for subsidized coverage

IRS Penalty Enforcement

- IRS started issuing enforcement letters for 2015 employer mandate compliance in late 2017
- 2016 enforcement letters coming soon
- Most penalties resulted from reporting errors
- IRS has been easy to work with to resolve penalty assessments

Form 1095-C (2018) — Page **2**

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provision in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II may indicate that you were offered coverage for yourself and your spouse, for yourself and your dependent(s), if you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you meet the requirements for receiving the premium tax credit. See Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by that employer. Generally, an Applicable Large Employer that offers health plans to its employees is required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you, enrolled in a self-insured health plan offered by your employer, that is, generally, any type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information to assist you in completing your income tax return by showing you or those family members had qualifying health coverage (referred to as "minimum essential coverage") for some or all months during the year.

If your employer provided you or a family member health coverage through an insured health plan or a multiemployer plan (due to your membership in a union), that offer may not be shown on line 14. To furnish you information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program (for example, Medicaid, Children's Health Insurance Program (CHIP) administered by the Department of Health and Human Services), the provider of that coverage will furnish you information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

TIP *Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.*

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), including the individual shared responsibility provisions, the premium tax credit, and the employer shared responsibility provisions, see www.irs.gov/Affordable-Care-Act/Individuals-and-Families or call the IRS Healthcare Hotline for ACA questions (1-800-919-0452).

Part I. Employee

Lines 1–6. Part I, lines 1–6, reports information about you, the employee.

Line 2. This is your social security number (SSN). For your protection, this form may show only the last four digits of your SSN. However, the full SSN must be furnished to the IRS.

Caution *If you do not provide your SSN and the SSNs of all covered individuals to the plan administrator, the IRS may not be able to match the Form 1095-C to determine that you and the other covered individuals have complied with the individual shared responsibility provision. For covered individuals other than the employee listed in Part I, a Taxpayer Identification Number (TIN) may be provided instead of an SSN. See Part III.*

Part I. Applicable Large Employer Member (Employer)

Lines 7–13. Lines 7–13, reports information about your employer.

Line 10. This line includes a telephone number for the person whom you may call if you have questions about the information reported on the form or to report errors in the information on the form and ask that they be corrected.

Part II. Employer Offer of Coverage, Lines 14–16

Line 14. The codes listed below for line 14 describe the coverage that your employer offered to you. Your employer may not have offered you coverage (for example, if you were offered coverage by a multiemployer plan due to your membership in a union, that offer may not be shown on line 14.). The information on line 14 relates to eligibility for coverage subsidized by the premium tax credit for you, your spouse, and dependent(s). For more information about the premium tax credit, see Pub. 974.

1A. Minimum essential coverage providing minimum value offered to you with an employee required contribution for self-only coverage equal to or less than 9.56% (as indexed for 2018) of the employee's single federal poverty line and minimum essential coverage offered to your spouse and dependent(s) (referred to here as a Qualifying Offer). This code may be used to report for specific months for which a Qualifying Offer was in effect, or for all months during the calendar year. For information on the adjustment of the 9.5%, see IRS.gov.

1B. Minimum essential coverage providing minimum value offered to you and minimum essential coverage NOT offered to your spouse or dependent(s).

1C. Minimum essential coverage providing minimum value offered to you and minimum essential coverage offered to your dependent(s) but NOT your spouse.

1D. Minimum essential coverage providing minimum value offered to you and minimum essential coverage offered to your spouse but NOT your dependent(s).

1E. Minimum essential coverage providing minimum value offered to you and minimum essential coverage offered to your dependent(s) and spouse.

1F. Minimum essential coverage NOT providing minimum value offered to you, or you and your spouse or dependent(s), or your spouse or dependent(s).

1G. You were NOT a full-time employee for any month of the calendar year but were enrolled in self-insured employer-sponsored coverage for one or more months of the calendar year. This code will be entered in the All 12 Months box or in the separate monthly boxes for all 12 calendar months on line 14.

1H. No offer of coverage (you were NOT offered any health coverage or you were offered coverage that is NOT minimum essential coverage).

1I. Reserved.

1J. Minimum essential coverage providing minimum value offered to you; minimum essential coverage conditionally offered to your spouse; and minimum essential coverage offered to your dependent(s).

1K. Minimum essential coverage providing minimum value offered to you; minimum essential coverage conditionally offered to your spouse; and minimum essential coverage offered to your dependent(s).

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest cost option in which you were enrolled that provided minimum essential coverage (MEC) for you. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1A, 1C, 1D, 1E, 1J, or 1K is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report a "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, see IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. If you were offered affordable, minimum value coverage (MEC) or enrolled in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, see IRS.gov.

Part III. Covered Individuals, Lines 17–22

Part III reports the name, SSN (or TIN) for covered individuals other than the employee listed in Part I, and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan provides MEC at least for that individual's primary care coverage. If the SSN (or TIN) for any individuals other than the employee listed in Part I is not entered in column (b), Column (c) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than 6 covered individuals, see the additional covered individuals on Part III, Continuation Sheet(s).
